**Research Director and Dean, Bangalore Management Academy, (2009- )** The Bangalore Management Academy is a teaching and research institute that works with the Edith Cowan University and the Bharatidasan University in providing Business and management education at the under graduate and the graduate levels.

Adjunct faculty of Business and Law, Edith Cowan University, Perth Australia and Associate Fellow at the India Development Foundation. Also visiting faculty at the Indian School of Business, Hyderabad; Birla Institute of Management Technology, New Delhi; Power Management Institute, NTPC; BHEL's Human Resource Development Institute; Foreign Service Institute, Ministry of External Affairs; Indian Institute of Coal Management; Infinity Business School and the Indian Institute of Foreign Trade.

**India Development Foundation, (2003 - 2009)** IDF is a non-profit, non-partisan research foundation set up as a Trust to develop awareness about how markets work, why legal and regulatory institutions are desirable and how they can be developed. [www.idfresearch.org](http://www.idfresearch.org) Worked as a Research Fellow 2003- 2006 and then as Director 2008-09.

Deputy Secretary General, *PHD Chamber of Commerce and Industry*. Research, finance and admin head. PHDCCI is a private nonprofit organization devoted to industrial growth, independent research and policy solutions. It is an industry led and industry managed organisation, playing a proactive role in North India's development process. This one-year assignment during 2006 was to give the Chamber's industry outreach, corporate governance and research agenda its shape. [www.phdcci.in](http://www.phdcci.in)

Executive Director and Editor, *Encyclopaedia Britannica, (1999 – 2002)* responsible for business development and editorial operations being carried out of India. Joined soon after the office was set up in India and developed its business model, hired more than 250 research and admin staff and ran the operations for three years. Encyclopaedia Britannica was set up more than 230 years ago and is the world's premier reference publication. While it has more than 20 offices all over the world, editorial activities were carried out only at its offices in Chicago and Delhi. [www.britannicaindia.com](http://www.britannicaindia.com), [www.eb.com](http://www.eb.com)

Academic Head, Indian School of Finance and Management, June 1997 – September 1999. Set up the school, hired faculty and developed industry linkages. The School was affiliated to the University of Hull and then the University of Lincolnshire and Humberside, UK. Taught courses on *Economics of the Business Environment*, *Legal Framework* and *International Business* at the chapters of the school in Delhi, Chennai and London.

Research Associate, Project LARGE, New Delhi, February 1994 – March 1998. LARGE stands for Legal Adjustments and Reforms for Globalizing the Economy. A project of the Ministry of Finance, Government of India funded by the United Nations Development Programme – UNDP, as a sub component of the umbrella project - *Support for Policy studies on Economic Reforms*.

Indian Civil Service, Probationary Officer, 1993-94. Worked at M/s Computer Corporation,
